The Honorable John D. Bates
United States District Court for the District of Columbia
333 Constitution Avenue N.W.
Washington, DC. 20001

Dear Judge Bates,

My name is Brenda Ball. I am the mother of David Ball Jr. David has been convicted of parading, demonstrating or Picketing in a Capitol Building, in violation of 40 U.S.C 5104(e)(2)(G) on January 6th.

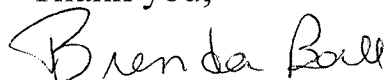

David has always been a great person. As a child he never got into trouble. He has never gone to jail or been in trouble with the law. He has always been an upstanding, law abiding citizen.

Family is everything to him. He is married and has 4 kids of his own with another on the way. He also has a stepson he helps take care of. When he isn't working he enjoys the great outdoors and makes sure he spends a lot of time with his family, often coming over to our house which is almost an hour away from where he lives to help us if we need him. He is one of the kindest people I know. Everyone loves David because of the person he is. He would give the shirt off his back to anyone in need.

Did he make a mistake? Yes he did. Would he do it again if the opportunity arose? Absolutely not. He is very sorry he got caught up in this. He wishes it had never happened, but he also knows there is no way to undo it. David is a very hard on himself. Many times he has said how he wishes he had never gone there. I know he means it. He has never done anything like this. He just got caught up in the moment and didn't know how to get out of it. He is a good person. Well respected by his community as well as his family and friends.

All I ask is that you show him some leniency when making your decision, so that he can continue to be the great father, husband and son that he always has been.

Thank you,
