STATEMENT OF OFFENSE

Pursuant to Fed. R. Crim. P. 11, the United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, Zachariah Boulton, with the concurrence of his attorney, agree and stipulate to the below factual basis for the defendant’s guilty plea—that is, if this case were to proceed to trial, the parties stipulate that the United States could prove the below facts beyond a reasonable doubt:

The Attack at the U.S. Capitol on January 6, 2021

1. The U.S. Capitol, which is located at First Street, SE, in Washington, D.C., is secured twenty-four hours a day by U.S. Capitol Police (USCP). Restrictions around the Capitol include permanent and temporary security barriers and posts manned by USCP. Only authorized people with appropriate identification are allowed access inside the Capitol.

2. On January 6, 2021, the exterior plaza of the Capitol was closed to members of the public. The grounds around the Capitol were posted and cordoned off, and the entire area as well as the Capitol building itself were restricted as that term is used in Title 18, United States Code, Section 1752 due to the fact that the Vice President and the immediate family of the Vice President, among others, would be visiting the Capitol complex that day.

3. On January 6, 2021, a joint session of the United States Congress convened at the Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected

members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on Tuesday, November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

4. As the proceedings continued in both the House and the Senate, and with Vice President Pence present and presiding over the Senate, a large crowd gathered outside the Capitol. Temporary and permanent barricades, as noted above, were in place around the exterior of the Capitol, and USCP officers were present and attempting to keep the crowd away from the Capitol and the proceedings underway inside.

5. At approximately 2:00 p.m., certain individuals in the crowd forced their way through, up, and over the barricades. Officers of the USCP were forced to retreat and the crowd advanced to the exterior façade of the building. The crowd was not lawfully authorized to enter or remain in the building and, prior to entering the building, no members of the crowd submitted to security screenings or weapons checks as required by USCP officers or other authorized security officials.

6. At such time, the certification proceedings were still underway, and the exterior doors and windows of the Capitol were locked or otherwise secured. Members of the USCP attempted to maintain order and keep the crowd from entering the Capitol; however, shortly after 2:00 p.m., individuals in the crowd forced entry into the Capitol, including by breaking windows and by assaulting members of law enforcement, as others in the crowd encouraged and assisted

those acts. The riot resulted in substantial damage to the Capitol, requiring the expenditure of more than \$2.9 million dollars for repairs.

7. Shortly thereafter, at approximately 2:20 p.m., members of the House of Representatives and of the Senate, including the President of the Senate, Vice President Pence, were instructed to—and did—evacuate the chambers. Accordingly, all proceedings of the United States Congress, including the joint session, were effectively suspended until shortly after 8:00 p.m. on January 6, 2021. In light of the dangerous circumstances caused by the unlawful entry to the Capitol—including the danger posed by individuals who had entered the Capitol without any security screening or weapons check—Congressional proceedings could not resume until after every unauthorized occupant had been removed from or left the Capitol, and USCP confirmed that the building was secured. The proceedings resumed at approximately 8:00 p.m. after the building had been secured. Vice President Pence remained in the Capitol from the time he was evacuated from the Senate Chamber until the session resumed.

Boulton's Participation in the January 6, 2021, Capitol Riot

8. The defendant, Zachariah Boulton (Boulton), lives in Villa Rica, Georgia. On January 5, 2021, Boulton drove alone in his car from Georgia to Washington, D.C. because he planned to attend former President Trump's "Stop the Steal" rally on January 6, 2021. The purpose of the rally was to protest Congress' certification of the Electoral College.

9. On January 6, 2021, Boulton attended the former President's speech and then walked with a large crowd towards the U.S. Capitol building. As Boulton approached the West Lawn, he could see concrete barricades. Boulton continued onwards towards the Capitol building, and as he approached the West Plaza, rioters had climbed atop scaffolding intended for the inaugural stage.

At approximately 2:31 p.m., Boulton ascended the exterior stairs of the U.S. Capitol to the Upper West Terrace.

10. At approximately 2:39 p.m., Boulton entered the first floor the U.S. Capitol building through the Upper West Terrace Door. Boulton walked to the Rotunda at approximately 2:41 p.m., exited, and then quickly re-entered it. While in the Rotunda, Boulton took videos with his cellular phone that were uploaded onto TikTok. Boulton exited the Rotunda at 2:45 p.m. and descended the Supreme Court Chamber steps to the first floor. Boulton filmed another video in a corridor that showed the air thick with chemical agents, and this video was also uploaded onto TikTok. Boulton exited the U.S. Capitol through a broken window near the Senate Wing Door at approximately 2:54 p.m.

11. In the days after January 6, 2021, Boulton made selfie-style videos that he uploaded onto TikTok. In the videos, Boulton admitted to being present at the U.S. Capitol on January 6. In one of the videos, Boulton stated: *"I'm tired of these limp-wristed conservatives that just want to show up and chant, but don't want to do real patriotic shit. You know what, the tree of liberty from time to time needs to be watered with the blood of patriots and tyrants. Don't come at me, oh, you lowered yourself by going into that Capitol building. Fuck that. We need to send them a message now. That they will understand, and that's it. No property was really destroyed other than a window. But we made ourselves clear we will not stand by. And shits gonna get real. If you're not ready for that, go hide."*

12. When Boulton entered the U.S. Capitol building on January 6, it was a restricted building. Boulton knew at the time he entered the U.S. Capitol building that he did not have lawful authority to enter the building.

Elements of the Offense

13. The parties agree that a violation of 18 U.S.C. § 1752(a)(1) requires the following elements:

- a. The defendant entered or remained in a restricted building or grounds without lawful authority to do so;
- b. The defendant did so knowingly.

14. The defendant knowingly and voluntarily admits to all the elements as set forth above. Specifically, the defendant admits that when he entered the U.S. Capitol building on January 6, 2021, it was a restricted building and that he knew at the time he entered the U.S. Capitol building that he did not have lawful authority to enter the building.

Respectfully submitted,
